Lewes District Council working in partnership with YMCA, Nippers, Newhaven Community Development Association and Action in Rural Sussex is pleased to be able to offer children between the ages of 8 and 16 some fantastic opportunities for play from **June to September**.

As part of a national scheme Lewes District Council was allocated funding through the Big Lottery to put together a programme both to improve play facilities and arrange play activities within the District.

The "*Playout*" programme listed within this leaflet has been made possible by a partnership of local organisations. They specialise in providing supervised activities for children and young people working together to design events that children have told us they would like to take part in.

We were fortunate to obtain additional funding from the Government's Play Pathfinder Initiative and have been able to invest £132,000 in equipment for new play areas in the district.

We will continue to work with our partners over the coming year to secure additional funding so that we can continue to provide free play opportunities.

Thanks to all the children, parents and organisations who let us know what activities and play equipment they wanted to see made available.
