

HELP US FIND

PURPLE HAIRSTREAK

Look high in the oak trees on warm summer evenings and watch the jittery flight of these silvery butterflies.

THE LOST WOODS SEVEN

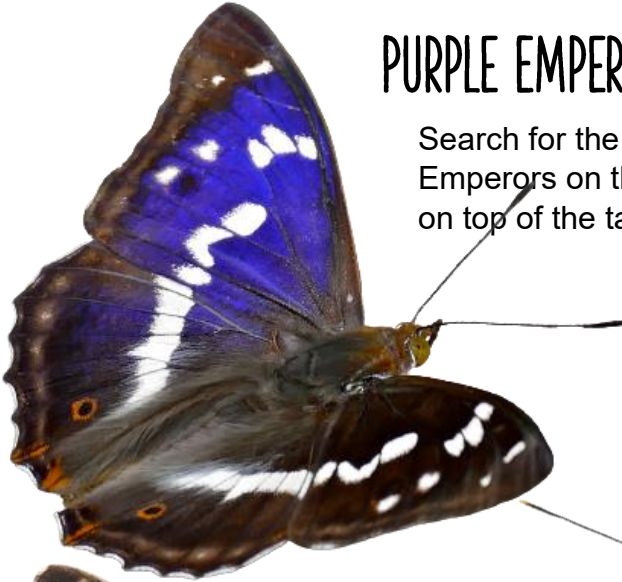

PURPLE EMPEROR

Search for the iridescent Emperors on their thrones on top of the tallest trees.

SILVER-WASHED FRITILLARY

These BIG orange butterflies love to feed on bramble flowers in the sunshine.

WHITE ADMIRAL

Striking black and white butterflies who flap-flap-glide through sunny woodland glades

SPECKLED WOOD

Cream and brown butterflies who don't mind the shade

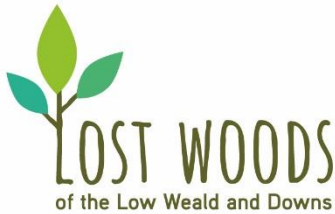

RINGLET

Chocolate-brown with a row of eye-spots on the underside

BRIMSTONE

The big yellow one!
